

Thursday, May 16th

15:00 - 15:15

Inauguration: **Patricia Gómez**
(Consellera de Salut)

Miquel Fiol
(Director científic IdISBa)

Session on Cancer Cell Biology

Moderators:

Silvia Fernández / Gwendolyn Barceló

15:15 - 16:00 **María Alcolea** (University of Cambridge, Wellcome Trust-MRC Stem Cell Institute, UK)
Epithelial stem cell fate plasticity: an oesophageal perspective

16:00 - 16:45 **Toni Celià-Terrassa**
(IMIM-Hospital del Mar, Spain)
Stem cell properties are essential for breast cancer metastasis

16:45 - 17:05 COFFEE BREAK

17:05 - 17:50 **Priam Villalonga** (IdISBa-IUNICS, Spain)
Role of FOXO3a in the response to EGFR inhibition in glioblastoma cells

17:50 - 18:40 **Gwendolyn Barceló** (IdISBa, Spain)
Identification of cancer lipid biomarkers by Imaging Mass Spectrometry

Friday, May 17th

Session on Cancer Genetics

Moderators:

Priam Villalonga / Antonia Obrador

08:30 - 09:15 **Francesca Aguiló**
(Umeå University, Sweden)
N6-methyladenosine RNA modification in health and disease

09:15 - 10:00 **Lluis Morey** (University of Miami-Miller School of Medicine, USA)
Functions of Polycomb-group complexes in stem cells and disease

10:00 - 10:45 **Diego Marzese** (IdISBa, Spain)
Epigenetic profiling for precision diagnosis of brain tumors

10:45 - 11:05 COFFEE BREAK

11:05 - 11:50 **Bartomeu Colom** (University of Cambridge, Wellcome Trust-Sanger Institute, UK)
A dual role for somatic mutant clonal competition in early tumorigenesis

11:50 - 12:35 **Miriam Sansó** (VHIO, Spain)
Moving liquid biopsy beyond current applications

12:35 - 13:20 **Antonia Obrador** (IdISBa-HUSE, Spain)
New perspectives of liquid biopsy in lung cancer

13:20 - 13:35 Concluding remarks:
Javier Cortés (president AECC – Junta de Baleares, Spain)

Institut d'Investigació Sanitària Illes Balears (IdISBa)
Carretera de Valldemossa, 79

Hospital Universitari Son Espases

Edifici S. 1a Planta

International Workshop on TRANSLATIONAL CANCER Research

Dates: May 16th and 17th, 2019

Location: +1 floor, section L, classrooms 102/103
of the Hospital Universitari Son Espases

Organized by:

Institut
d'Investigació Sanitària
Illes Balears

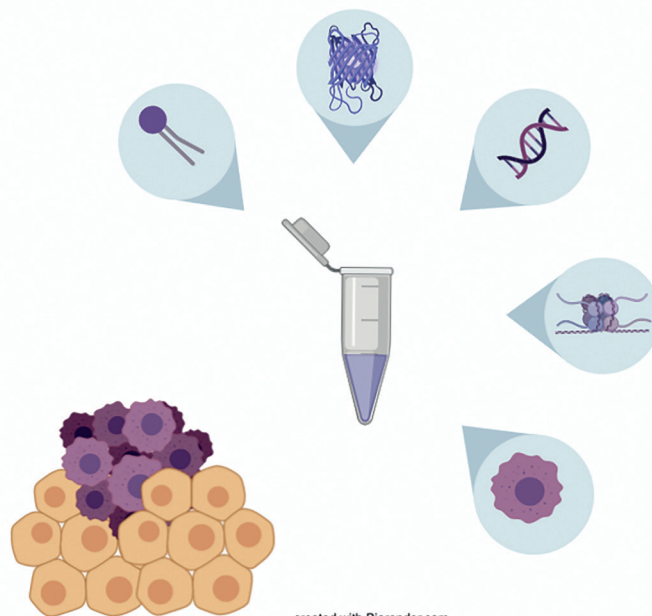

Sponsored by:

The event is free,
but registration is required

Capacity limited to 55 participants
(by strict order of registration)
